District #5 shall remit such System Rebate within thirty (30) days of receipt of the Stormwater Rebates from the City or notice of the self-performing District's election, whichever is later, accompanied by documentation showing the calculation of the System Rebate.

District #5 shall provide reasonable advance notice before accessing a District's boundaries, except in cases of emergency. District #5, as the Administrative District, shall obtain and maintain in good standing all governmental permits, approvals, and authorizations applicable to the Master Improvements (collectively, "**Master Improvement Permits**"). Additionally, each district shall, upon request of the Administrative District, promptly execute and deliver any deeds, assignments, bills of sale, easements, or other instruments reasonably necessary to convey, assign, or confirm ownership in, and/or authorize the operation, maintenance, repair and/or replacement of the Master Improvements by, the Administrative District, and shall cooperate in obtaining any third-party consents or governmental approvals required in connection therewith.

SECTION 9. DISTRICT ELECTION FOR MAINTENANCE OF IN-DISTRICT MASTER IMPROVEMENTS. Notwithstanding Section 4, each District shall have the right in its sole discretion to elect, at its cost and expense, to provide for the operation, maintenance, repair, and replacement of that portion of the Master Improvements that is located within its respective boundaries (the "**In-District Facilities**"), including associated appurtenances, easements, control structures, and related improvements, except as otherwise expressly provided in this Agreement. To the extent any component of the Master Improvements serves more than one District or is physically interconnected such that maintenance activities may affect flows or performance beyond a single District's boundaries, the District performing work within its boundaries shall coordinate scheduling and methods with the affected Districts to minimize adverse impacts and maintain regulatory compliance. In the event any District elects to maintain its In-District Facilities but fails to do so (a "**Non-Compliant District**") in accordance with this Agreement, the Administrative District shall have the right and obligation to conduct maintenance activities and be reimbursed for the actual and reasonable expenses incurred by the Administrative District from the Non-Compliant District. The Administrative District shall provide written notice to the Non-Compliant District at least thirty (30) days prior to commencing self-help maintenance, except in cases of emergency where immediate action is necessary to prevent imminent harm to persons or property or to maintain regulatory compliance. The Non-Compliant District shall reimburse the Administrative District within thirty (30) days of receipt of an itemized invoice with supporting documentation. If the Non-Compliant District disputes the charges, it shall notify the Administrative District in writing within fifteen (15) days of receipt of the invoice, and the parties shall meet and confer in good faith to resolve the dispute within thirty (30) days. All notices required under this Section 9 shall be provided in accordance with the procedures set forth in the Notice section of this Agreement. Any District electing to self-perform maintenance of its In-District Facilities pursuant to this Section 9 shall provide written notice of such election to the Administrative District no later than ninety (90) days prior to the commencement of the fiscal year in which the election is to take effect. Such election shall become effective at the start of the next fiscal year following the required notice period. Mid-year elections shall not be permitted except upon the prior written consent of the Administrative District, which consent shall not be unreasonably withheld.

SECTION 10. DISPUTE RESOLUTION. This Section governs the resolution of all disputes arising under or relating to this Agreement, including disputes regarding cost allocation, invoicing, assessments, and the performance of obligations hereunder. The Administrative District retains final authority over all operational and maintenance decisions relating to the Master Improvements, provided such decisions are made in good faith and in accordance with this Agreement. This dispute process applies solely to cost allocation and invoicing disputes and shall not be construed to give any District the right to direct, delay, or interfere with maintenance operations, or to withhold payment of undisputed amounts.

A disputing District shall deliver written notice to the Administrative District within fifteen (15) days of receipt of the invoice or assessment giving rise to the dispute, describing the basis for the dispute in reasonable detail. Each District shall pay the undisputed portion of any invoice or assessment pending resolution; failure to do so shall not be excused by the pendency of a dispute. ***Step 1 - Meet and Confer.*** Within thirty (30) days of the

dispute notice, the District Managers of the disputing District and the Administrative District shall meet and confer in good faith to attempt resolution. **Step 2 - Board Escalation.** If unresolved at the District Manager level, either party may escalate the dispute to the respective Boards of Supervisors, who shall meet within thirty (30) days to attempt resolution in good faith. **Step 3 - Expert Determination.** If the dispute remains unresolved following Board escalation, either party may submit the dispute to a mutually agreed independent expert with relevant experience in community development district finance or stormwater engineering, as appropriate to the nature of the dispute (the "**Expert**").

If the parties cannot agree on an Expert within fifteen (15) days of a written request for expert determination, either party may request appointment of an Expert by the American Arbitration Association. The Expert shall render a written determination within forty-five (45) days of appointment. Such determination shall be final and binding on all parties and may be enforced as a judgment in any court of competent jurisdiction. Costs of the Expert shall be shared equally by the disputing parties, except that if the Expert's determination is substantially in favor of one party, the Expert may assess costs against the non-prevailing party. Expert determination shall be the exclusive remedy for cost allocation and invoicing disputes under this Agreement, and no District may initiate formal legal proceedings with respect to such disputes except to enforce an Expert determination.

SECTION 11. TERM; TERMINATION. This Agreement shall be effective as of the Effective Date and shall continue through September 30 of the fifth (5th) full fiscal year following the Effective Date (the "**Initial Term**"), aligned with the Community Development District fiscal year ending September 30. Following the Initial Term, this Agreement shall automatically renew for successive one (1) year terms (each October 1 through September 30), unless any District provides written notice of non-renewal to all other Districts no later than September 30 of the fiscal year immediately preceding the Renewal Term (i.e., at least one (1) full fiscal year's advance written notice). No individual District may unilaterally withdraw from or terminate this Agreement except as provided in this Section. Upon notice of non-renewal or agreement to terminate (the "**Termination Date**"), the following shall apply:

- (a) **Transition Period.** The Administrative District shall continue performing all Administrative District obligations for at least twelve (12) months following the Termination Date, at the Districts' Proportionate Shares, unless all Districts agree in writing to a shorter period and applicable regulatory authorities confirm no lapse in permit coverage will result.
- (b) **Successor Administrator.** No later than six (6) months prior to the Termination Date, the Districts shall designate a successor administrative entity or reallocate Administrative District responsibilities ("**Successor Administrator**"). Termination shall not become effective until a Successor Administrator has assumed all obligations of District #5 under the City Agreement and all Master Improvement Permits. If no Successor Administrator is designated, District #5 shall continue to serve and this Agreement shall remain in effect.
- (c) **City Agreement; Permits.** The City Agreement is not terminated by the termination of this Agreement, and no termination shall relieve any District of its obligations thereunder. Prior to the Termination Date, the Districts shall cooperate to transfer or novate District #5's obligations under the City Agreement to the Successor Administrator and to obtain all regulatory consents necessary to transfer the Master Improvement Permits without lapse. District #5 shall have no obligation to transfer operational responsibility for any Master Improvement until all required permit transfers are complete. Costs of permit transfers shall be allocated as Proportionate Shares.

- (d) ***Wind-Down and Records Transfer.*** Within thirty (30) days of the Termination Date, the Administrative District shall provide an inventory of all active vendor contracts related to the Master Improvements. The Districts shall cooperate to assign, novate, or wind down such contracts no later than the conclusion of the Transition Period, with early termination costs allocated as Proportionate Shares; any dispute regarding such cost allocation shall be resolved in accordance with Section 10. All accrued payment obligations, indemnification obligations, records retention obligations, and permit cooperation obligations shall survive termination. Upon conclusion of the Transition Period, the Administrative District shall deliver to the Successor Administrator all records relating to the Master Improvements in its possession or control.

SECTION 12. **RECORDING.** Promptly following execution of this Agreement by all parties, District #5, as the Administrative District, shall cause this Agreement to be filed with the Clerk of the Circuit Court of St. Lucie County, Florida, in accordance with Section 163.01(11), Florida Statutes. The Administrative District shall bear the initial cost of recording, which cost shall be included as an administrative cost subject to allocation among the Districts in accordance with the Funding section of this Agreement. Each party shall cooperate and execute any additional instruments reasonably necessary to effectuate recording.

NOW, THEREFORE, in consideration of the recitals, agreements, and mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Parties, the Parties agree as follows:

Section 1. Recitals. The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement.

Section 2. Duties

A. The Contractor agrees to provide the labor, materials, and services necessary for the provision of the erosion repair services described in the attached **Exhibit A**, which is incorporated herein by this reference (the "**Services**"). Prior to the start of Services, if applicable

to the Services, Contractor shall execute and file with the District the Trench Safety Compliance Statement attached hereto as **Exhibit B**.

B. Services shall commence within a reasonable amount of time upon the District's issuance of a notice to proceed, which may be issued in one or more partial, limited notices to proceed. The Services subject to the notice(s) to proceed shall be completed within the number of days established in such notice, unless extended in writing by the District in its sole discretion or terminated earlier in accordance with Section 4 herein.

C. This Agreement grants to Contractor the right to enter the District lands that are subject to this Agreement, for those purposes described in this Agreement, and Contractor hereby agrees to comply with all applicable laws, rules, and regulations. To the extent the Services to be performed require access to private property located adjacent to the District lands, the Contractor acknowledges and agrees the District does not have the right to provide access to such private property and that it is the District's responsibility to seek approval of access from affected property owner(s) prior to start of any Services affecting such private property.

D. Contractor shall perform all Services in a neat and workmanlike manner. In the event the District finds that the work of Contractor is not satisfactory to District, District shall have the right to immediately terminate this Agreement and will only be responsible for payment of work satisfactorily completed and for materials actually incorporated into the Services.

E. Contractor shall be solely responsible for the means, manner and methods by which its duties, obligations and responsibilities are met to the satisfaction of the District. While providing the Services, the Contractor shall assign such staff as may be required, and such staff shall be responsible for coordinating, expediting, and controlling all aspects to assure completion of the Services.

F. Contractor shall report directly to the District Manager or his or her designee. Contractor shall use all due care to protect the property of the District, its residents and landowners from damage. Contractor agrees to commence repairs for any damage resulting from Contractor's activities and work within twenty-four (24) hours, and Contractor agrees to complete such repairs within a reasonable amount of time.

G. Contractor shall keep the premises and surrounding area free from accumulation of waste materials or rubbish caused by operations under the Agreement. At completion of the Services, the Contractor shall remove from the site waste materials, rubbish, tools, construction equipment, machinery and surplus materials. If the Contractor fails to clean up as provided herein, the District may do so, and the cost thereof shall be charged to the Contractor.

H. Prior to commencement of the Work, Contractor must identify the landscaping that is anticipated to be disturbed as part of the Project. All other landscaping must be protected and replaced in the event of damage.

I. Prior to commencement of any phase of the Work, Contractor must provide notice to residents of the start date of the Services and Work, the expected completion date of such Services and Work, and contact information for any questions or concerns regarding the Services and Work.

Section 3. Compensation, Payment, and Retainage.

A. In exchange for completing the Services, the District agrees to pay the Contractor a total amount of **Eighty Eight Thousand, Five Hundred Thirty Six Dollars and No Cents (\$88,536.00)**, which shall be due upon completion and acceptance of the Services by the District. Acceptance by the District shall be provided by written certification by the District Engineer after final inspection and walkthrough, which may be attended by Contractor. If the Services are phased with multiple limited notices to proceed, payment of the remaining balance may be made in partial payments according to a payment schedule mutually agreed to by the Parties and set forth in each corresponding notice to proceed. This compensation includes all parts, permits, installation, materials, labor and all other costs necessary to complete the Services as described herein. Compensation under this Agreement shall be paid by the District to Contractor in accordance with the Local Government Prompt Payment Act, as set forth in Sections 218.70, *Florida Statutes*.

B. If the District should desire additional work or services, the Contractor agrees to negotiate in good faith to undertake such additional work or services. Upon successful negotiations, the Parties shall agree in writing to an addendum, addenda, or change order(s) to this Agreement. The Contractor shall be compensated for such agreed additional work or services based upon a payment amount acceptable to the parties and agreed to in writing.

C. The District may require, as a condition precedent to making any payment to the Contractor, that all subcontractors, material men, suppliers or laborers be paid and require evidence, in the form of lien releases or partial waivers of lien, to be submitted to the District by those subcontractors, material men, suppliers or laborers, and further require that the Contractor provide an Affidavit relating to the payment of said indebtedness. Further, the District shall have the right to require, as a condition precedent to making any payment, evidence from the Contractor, in a form satisfactory to the District, that any indebtedness of the Contractor, as to services to the District, has been paid and that the Contractor has met all of the obligations with regard to the withholding and payment of taxes, Social Security payments, Workmen's Compensation, Unemployment Compensation contributions, and similar payroll deductions from the wages of employees.

D. Should any work and/or services be required which are not specified in this Agreement or any addenda, but which the Parties agree are nevertheless necessary for the proper provision of Services to the District, such work or services shall be fully performed by the Contractor as if described and delineated in this Agreement without additional compensation provided therefore.

Section 4. Termination. The District agrees that the Contractor may terminate this Agreement immediately for cause by providing written notice of termination to the District, provided, however, the District shall be provided a reasonable opportunity to cure any failure under the Agreement. The Contractor shall provide thirty (30) days' written notice of termination without cause. The Contractor agrees that the District may terminate this Agreement immediately for cause by providing written notice of termination to the Contractor. The District shall provide thirty (30) days' written notice of termination without cause. Upon any termination of this Agreement, the Contractor shall be entitled to payment for all work and/or services rendered up until the effective termination of this Agreement, subject to whatever claims or off-sets the District may have against the Contractor ("**Post-Termination Payment**"), and the District shall be entitled to the return of any amounts paid to Contractor prior to the effective termination of this Agreement to the extent such exceeds the Post-Termination Payment amount.

Section 5. Warranty. The Contractor warrants to the District that all materials furnished under this Agreement shall be new, and that all services and materials shall be of good quality, free from faults and defects. In addition to all manufacturer warranties for materials used in the Services for purposes of this Agreement, the Services provided by the Contractor pursuant to this Agreement shall be warranted for workmanship for a period of two (2) years after final completion and acceptance by the District and the materials used in the Services for purposes of this Agreement shall be warranted for the term of the Manufacturer's Warranty, attached hereto as **Exhibit D** except that sod shall be warranted for a period of thirty (30) days after final completion and acceptance by the District. Neither final acceptance of the Services, nor final payment therefore, nor any provision of the Agreement shall relieve Contractor of responsibility for defective or deficient materials or Services. If any of the materials or Services are found to be defective, deficient or not in accordance with the Agreement, Contractor shall correct, remove and replace it promptly after receipt of a written notice from the District and correct and pay for any other damage resulting therefrom to District property or the property of landowners within the District. Warranty does not include the loss of material due to "acts of God" such as floods, hurricanes, or other catastrophic events, nor does it include loss due to theft, vandalism, or negligence by others, or other factors outside the control of the Contractor.

Contractor hereby covenants to the District that it shall perform the Services necessary to complete the Project: (i) using its best skill and judgment and in accordance with generally accepted professional and design standards and practices for projects of similar design and complexity as the development occurring within the District; (ii) in compliance with all applicable federal, state, county, municipal, building and zoning, land use, environmental, public safety, non-discrimination and disability accessibility laws, codes, ordinances, rules and regulations, including, without limitation, all professional registration (both corporate and individual) for all required basic disciplines that it shall perform; and (iii) in an expeditious and economical manner consistent with the best interest of the District. Contractor agrees that the warranties and covenants provided herein may be assigned to the District upon conveyance of the constructed improvements to the District.

Contractor hereby assigns to District all warranties extended to Contractor by material suppliers and subcontractors, including the Manufacturer's Warranty set forth in **Exhibit D** hereto. If an assignment of warranty requires the material supplier and/or subcontractor to consent to same, then Contractor may secure the material supplier's and/or subcontractor's consent to assign said warranties to District.

Section 6. Insurance.

A. The Contractor shall maintain throughout the term of this Agreement the following insurance:

1. Worker's Compensation Insurance in accordance with the laws of the State of Florida.

2. Commercial General Liability Insurance covering the Contractor's legal liability for bodily injuries, with limits of not less than One Million Dollars (\$1,000,000.00) combined single limit bodily injury and property damage liability, and covering at least the following hazards:

4. Automobile Liability Insurance for bodily injuries in limits of not less than One Million Dollars (\$1,000,000.00) combined single limit bodily injury and for property damage, providing coverage for any accident arising out of or resulting from the operation, maintenance, or use by the Contractor of any owned, non-owned, or hired automobiles, trailers, or other equipment required to be licensed.

B. The District and the District's officers, supervisors, agents, and employees shall be named as additional insured. The Contractor shall furnish the District with the Certificate of Insurance evidencing compliance with this requirement. No certificate shall be acceptable to the District, unless it provides that any change or termination within the policy periods of the insurance coverages, as certified, shall not be effective within thirty (30) days of prior written notice to the District. Insurance coverage shall be from a reputable insurance carrier, licensed to conduct business in the State of Florida. Contractor's Certificate of Insurance shall be attached to this Agreement as **Exhibit C** upon execution.

C. If the Contractor fails to have secured and maintained the required insurance, the District has the right, but not the obligation, to secure such required insurance, in which event the Contractor shall pay the cost for that required insurance and shall furnish, upon demand, all information that may be required in connection with the District's obtaining the required insurance.

Section 7. Indemnification.

A. Contractor agrees to defend, indemnify, and hold harmless the District and its officers, agents, professional staff, successors, assigns, members, affiliates, or representatives from any and all liability, claims, actions, suits, liens, demands, costs, interest, expenses, damages, penalties, fines, judgments against the District, or loss or damage, whether monetary or otherwise, arising out of, wholly or in part by, or in connection with the Services to be performed by Contractor, its subcontractors, its employees and agents in connection with this Agreement, including litigation, mediation, arbitration, appellate, or settlement proceedings with respect thereto. For avoidance of doubt, indemnification obligation of the Contractor herein requires the Contractor to indemnify the District for any and all percentage of fault attributable to Contractor in any claims arising hereunder (whether such claim is against the District, the Contractor or the District and Contractor as jointly liable parties) regardless of whether the District is adjudged to be more or less than 50% at fault.

B. Contractor further agrees that nothing herein shall constitute or be construed as a waiver of the District's limitations on liability contained in section 768.28, *Florida Statutes*, or other statute. Notwithstanding anything to the contrary in this Agreement, Contractor's liability to the indemnified parties pursuant to this Section 7 is limited to \$1,000,000 regardless of legal basis of recovery or type of claimed damages.

C. Obligations under this section shall include the payment of all settlements, judgments, damages, liquidated damages, penalties, fines, forfeitures, back pay awards, court costs, arbitration and/or mediation costs, litigation and/or other expenses including but not limited to attorneys' fees, paralegal fees (incurred in court, out of court, on appeal, or in bankruptcy proceedings), and any interest all as actually incurred by the District.

Section 8. Compliance with Governmental Regulation. The Contractor shall keep, observe, and perform all requirements of applicable local, state, and federal laws, rules, regulations, or ordinances. If the Contractor fails to notify the District in writing within five (5) days of the receipt of any notice, order, required to comply notice, or a report of a violation or an alleged violation, made by any local, state, or federal governmental body or agency or subdivision thereof with respect to the services being rendered under this Agreement or any action of the Contractor or any of its agents, servants, employees, or materialmen, or with respect to terms, wages, hours, conditions of employment, safety appliances, or any other requirements applicable to provision of services, or fails to comply with any requirement of such agency within five (5) days after receipt of any such notice, order, request to comply notice, or report of a violation or an alleged violation, the District may terminate this Agreement, such termination to be effective immediately upon the giving of notice of termination.

Section 9. Liens and Claims. The Contractor shall promptly and properly pay for all labor employed, materials purchased, and equipment hired by it to perform under this Agreement. The Contractor shall keep the District's property free from any materialmen's or mechanic's liens and claims or notices in respect to such liens and claims, which arise by reason of the Contractor's performance under this Agreement, and the Contractor shall immediately

discharge any such claim or lien. In the event that the Contractor does not pay or satisfy such claim or lien within three (3) business days after the filing of notice thereof, the District, in addition to any and all other remedies available under this Agreement, may terminate this Agreement to be effective immediately upon the giving of notice of termination.

Section 10. Limitations on Governmental Liability. Nothing in this Agreement shall be deemed as a waiver of the District's sovereign immunity or the District's limits of liability as set forth in Section 768.28, *Florida Statutes*, or other law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under such limitations of liability or by operation of law.

Section 11. No Third-Party Beneficiaries. This Agreement is solely for the benefit of the formal Parties herein and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Section 12. Successors. This Agreement shall inure to the benefit of and be binding upon the heirs, executors, administrators, successors, and assigns of the Parties to this Agreement, except as expressly limited in this Agreement.

Section 13. Custom and Usage. It is hereby agreed, any law, custom, or usage to the contrary notwithstanding, that the District shall have the right at all times to enforce the conditions and agreements contained in this Agreement in strict accordance with the terms of this Agreement, notwithstanding any conduct or custom on the part of the District in refraining from so doing; and further, that the failure of the District at any time or times to strictly enforce its rights under this Agreement shall not be construed as having created a custom in any way or manner contrary to the specific conditions and agreements of this Agreement, or as having in any way modified or waived the same.

Section 14. Permits and Licenses. All permits and licenses required by any governmental agency directly for the District shall be obtained and paid for by the Contractor. All other permits or licenses necessary for the Contractor to perform under this Agreement shall be obtained and paid for by the Contractor.

Neither the Contractor nor employees of the Contractor, if there are any, are employees of the District under the meaning or application of any Federal or State Unemployment or Insurance Laws or Old Age Laws or otherwise. The Contractor agrees to assume all liabilities or obligations imposed by any one or more of such laws with respect to employees of the Contractor, if there are any, in the performance of this

Agreement. The Contractor shall not have any authority to assume or create any obligation, express or implied, on behalf of the District and the Contractor shall have no authority to represent the District as an agent, employee, or in any other capacity, unless otherwise set forth in this Agreement.

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Designated Construction Project(s):
All operations of the named insured
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage **A**, and for all medical expenses caused by accidents under Section I – Coverage **C**, which can be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
1. A separate Designated Construction Project General Aggregate Limit applies to each designated construction project, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.
 2. The Designated Construction Project General Aggregate Limit is the most we will pay for the sum of all damages under Coverage **A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under Coverage **C** regardless of the number of:
 - a. Insureds;

 - c. Persons or organizations making claims or bringing "suits".
 3. Any payments made under Coverage **A** for damages or under Coverage **C** for medical expenses shall reduce the Designated Construction Project General Aggregate Limit for that designated construction project. Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Construction Project General Aggregate Limit for any other designated construction project shown in the Schedule above.

However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project General Aggregate Limit.

- C.** When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Construction Project General Aggregate Limit.
- D.** If the applicable designated construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.

B. The District, its staff, consultants, agents, employees, and supervisors shall be named as an additional insured. The Contractor shall furnish the District with the Certificate of Insurance evidencing compliance with this requirement. No certificate shall be acceptable to the District unless it provides that any change or termination within the policy periods of the insurance coverages, as certified, shall not be effective within thirty (30) days of prior written notice to the District. Insurance coverage shall be from a reputable insurance carrier, licensed to conduct business in the State of Florida, and such carrier shall have a Best's Insurance Reports rating of at least A-VII.

C. If the Contractor fails to have secured and maintained the required insurance, the District has the right (without any obligation to do so, however), to secure such required insurance in which event, the Contractor shall pay the cost for that required insurance and shall furnish, upon demand, all information that may be required in connection with the District's obtaining the required insurance.

SECTION 5. INDEPENDENT CONTRACTOR. It is understood and agreed that at all times the relationship of Contractor and its employees, agents, subcontractors or anyone directly or indirectly employed by Contractor to the District is the relationship of an independent contractor and not that of an employee, agent, joint venturer or partner of the District. Nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee between the District and Contractor or any of its employees, agents, subcontractors, or anyone directly or indirectly employed by Contractor. The parties acknowledge that Contractor is not an employee for state or federal tax purposes. Contractor shall hire and pay all of Contractor's employees, agents, subcontractors or anyone directly or indirectly employed by Contractor, all of whom shall be employees of Contractor and not employees of the District and at all times entirely under Contractor's supervision, direction and control.

In particular, District will not: i) Withhold FICA (Social Security) from Contractor's payments; ii) Make state or federal unemployment insurance contributions on Contractor's behalf; iii) Withhold state or federal income tax from payment to Contractor; iv) Make disability insurance contributions on behalf of Contractor; or v) Obtain workers' compensation insurance on behalf of Contractor.

SECTION 6. COMPLIANCE WITH LAWS, ORDINANCES AND REGULATIONS. Contractor shall initiate, maintain, and supervise all safety precautions and programs in connection with its obligations herein. Contractor shall ensure that all of Contractor's employees, agents, subcontractors, or anyone directly or indirectly employed by Contractor observe Contractor's rules and regulations of safety and conduct. Contractor shall take all reasonable precautions for the safety of and shall provide

all reasonable protection to prevent damage, injury or loss to all of its employees, agents and subcontractors performing its obligations herein and other persons who may be affected, and any material, equipment and other property. Contractor shall remedy all damage or loss to any property caused in whole or in part by Contractor, its employees, agents, subcontractors, or anyone directly or indirectly employed by Contractor, or by anyone for whose acts Contractor may be liable. Contractor shall indemnify District for all damage or losses it may incur or be exposed to because of Contractor or any of its employees, agents, subcontractors, or anyone directly or indirectly employed by Contractor's failure to comply with the provisions contained herein.

SECTION 7. DEFAULT AND PROTECTION AGAINST THIRD PARTY INTERFERENCE. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of actual damages and/or specific performance. The District shall be solely responsible for enforcing its rights under this Agreement against any interfering third party. Nothing contained in this Agreement shall limit or impair the District's right to protect its rights from interference by a third party to this Agreement.

SECTION 8. ENFORCEMENT OF AGREEMENT. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorney's fees and costs for trial, alternative dispute resolution, or appellate proceedings.

SECTION 20. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

SECTION 21. HEADINGS FOR CONVENIENCE ONLY. The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

SECTION 22. ENTIRE AGREEMENT. This instrument shall constitute the final and complete expression of the agreement between the parties relating to the subject matter of this Agreement. None of the provisions of Exhibit A shall apply to this Agreement and Exhibit A shall not be incorporated herein, except that Exhibit A is applicable to the extent that it states and clarifies the scope of Services for the labor and materials to be provided under this Agreement.

SECTION 23. E-VERIFY. The Contractor shall comply with and perform all applicable provisions of Section 448.095, *Florida Statutes*. Accordingly, to the extent required by Florida Statute, Contractor shall register with and use the United States Department of Homeland Security’s E-Verify system to verify the work authorization status of all newly hired employees. The District may terminate this Agreement immediately for cause if there is a good faith belief that the Contractor has knowingly violated Section 448.09(1), *Florida Statutes*. By entering into this Agreement, the Contractor represents that no public employer has terminated a contract

with the Contractor under Section 448.095(2)(c), *Florida Statutes*, within the year immediately preceding the date of this Agreement.

SECTION 24. COMPLIANCE WITH SECTION 20.055, FLORIDA STATUTES. The Contractor agrees to comply with Section 20.055(5), *Florida Statutes*, to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing pursuant to such section and to incorporate in all subcontracts the obligation to comply with Section 20.055(5), *Florida Statutes*.

G. Section 287.137, Florida Statutes, titled Antitrust violations; denial or revocation of the right to transact business with public entities; denial of economic benefits; and

H. Section 287.138, Florida Statutes, titled Contracting with entities of foreign countries of concern prohibited.

Contractor acknowledges that the Public Integrity Laws prohibit entities that meet certain criteria from bidding on or entering into or renewing a contract with governmental entities, including with the District ("**Prohibited Criteria**").

Contractor acknowledges that the District may terminate this Agreement if the Contractor is found to have met the Prohibited Criteria or violated the Public Integrity Laws.

Contractor certifies that in entering into this Agreement, neither it nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity, meets any of the Prohibited Criteria, and in the event such status changes, Contractor shall immediately notify the District. By entering into this Agreement, Contractor agrees that any renewal or extension of this Contract shall be deemed a recertification of such status.

SECTION 26. ANTI-HUMAN TRAFFICKING STATEMENT. The Contractor does not use coercion for labor or services as defined in Section 787.06, *Florida Statutes*, and the Contractor has complied, and agrees to comply, with the provisions of Section 787.06, *Florida Statutes*.

SUBMITTED TO: Rich Hans

SUBMITTED BY: Daniel Benitez, Inside Sales Manager

THIS SERVICES AGREEMENT (the "Agreement") is effective as of the date indicated above (the "Effective Date"), by and between SOLitude Lake Management, LLC ("SOLitude" or "Company"), and the customer identified above (the "Customer"), in accordance with the terms and conditions set forth in this Agreement.

1. **SERVICES.** SOLitude will provide services (the "Services") at the Customer's property in accordance with the Scope of Services attached hereto as Schedule A.
2. **MODIFICATIONS.** Any deviation from the requirements and Services outlined in Schedule A involving extra cost of material and labor will result in extra charges. Such additional services will be provided by SOLitude only upon a Change Order mutually approved by the parties in writing (the "Change Order").
3. **PRICING.** The Customer agrees to pay for the Services, as well as any applicable sales or other taxes, in accordance with the Pricing Schedule attached hereto as Schedule B. Prices are subject to annual increases. SOLitude will notify the Customer in writing (which may be by invoice) of such increases.
4. **PAYMENT.** Payment is due within thirty (30) days of the invoice date. Any disputes with an invoice or invoices must be brought to the attention of SOLitude by written notice within one hundred and twenty (120) days from the invoice date, otherwise Company will not be liable for any potential credits or adjustments. The parties agree to use good faith efforts to resolve any disputed invoice amounts within thirty (30) days after written notification of a dispute. Disputed amounts shall not affect payment of all undisputed amounts, and Customer agrees to pay all undisputed amounts owed on any disputed invoice within the applicable due dates. Invoices not paid on or before the invoice due date shall accrue interest charges at a rate of one percent (1%) per month, accruing as of the invoice date, until the time that such amounts are paid in full. Additionally, the Customer is liable for payment of all costs of collection of past due accounts, specifically including, but not limited to, court costs, expenses, and reasonable attorneys' fees. In addition to the compensation paid to SOLitude for performance of the Services, Customer shall reimburse SOLitude for all of the expenses paid or incurred by SOLitude in connection with the Services, including, but not limited to non-routine expenses, administrative fees, compliance fees, or any other similar expense that are incurred as a result of requirements placed on SOLitude by the Customer that are not covered specifically by the written specifications of this Agreement ("Reimbursable Expenses"). Should the work performed be subject to any local, state, or federal jurisdiction, agency, or other organization of authority for sales or other taxes or fees in addition to those expressly covered by this contract, the customer will be invoiced and responsible for paying said additional taxes in addition to the contract price and other fees.
5. **TERM AND EXPIRATION.** This Agreement shall commence on the Effective Date and shall remain in effect for an initial term of one (1) year(s) (the "Initial Term"). Thereafter, this Agreement shall automatically renew under the

Services Agreement
Page 2 of 8

same terms, conditions and specifications as set forth by this Agreement and for the same period of time as the Initial Term (each an "Additional Term") (the "Initial Term" and each "Additional Term" thereafter are collectively referred to herein as the "Term") unless either party gives written notice of cancellation thirty (30) days prior to the termination date of the Term then in effect. The parties understand and agree that the prices for each Additional Term shall automatically increase by six percent (6%) of then current annual pricing. SOLitude reserves the right to increase the amount charged for the Services. Such increase shall be communicated by written notice to the Customer, which notice may be by invoice. Customer may reject any such additional increase by notifying SOLitude in writing within fifteen (15) days of receiving such price increase notice.

6. **TERMINATION.** SOLitude may terminate this Agreement at any time, with or without cause, upon thirty (30) days' written notice to Customer. Subject to Sec. 7, in the event that this Agreement is terminated for any reason prior to the end of the Term, Customer agrees to pay SOLitude, in addition to all other amounts owed, an early termination fee of fifty percent (50%) of the remaining value of the Agreement (the "Early Termination Fee"). The Early Termination Fee is not a penalty, but rather a charge to compensate SOLitude for the Customer's failure to satisfy the Agreement in which the Customer's pricing plan is based.

7. **TERMINATION FOR CAUSE.** If SOLitude fails to materially perform pursuant to the terms of this Agreement, Customer shall provide written notice to SOLitude specifying the default. If SOLitude does not cure such default within forty-five (45) days of SOLitude's receipt of Customer's written notice, Customer may terminate this Agreement, in whole or in part, for cause. The Company, in case of such default, shall be entitled to receive payment only for work completed prior to said default, so long as the total paid hereunder does not exceed the contract sum. Either party may terminate this Agreement immediately if the other party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors.

8. **INSURANCE.** SOLitude will maintain general liability and property damage insurance as necessary given the scope and nature of the Services. A certificate of insurance will be issued to Customer, upon request.

9. **INDEMNIFICATION: LIMITATION OF LIABILITY.** THE CUSTOMER AGREES THAT THE WORK PROVIDED UNDER THIS AGREEMENT IS NOT TO BE CONSTRUED AS INSURANCE, OR AS A COVENANT, GUARANTEE, WARRANTY, OR PROMISE OF ANY KIND THAT THE CUSTOMER IS IN COMPLIANCE WITH ANY LEGAL GUIDELINES OR REQUIREMENTS. COMPANY DISCLAIMS ANY LIABILITY OR RESPONSIBILITY REGARDING THE PRACTICES AND OPERATIONS OF THE CUSTOMER, AND BEARS NO RESPONSIBILITY OR LIABILITY FOR WHETHER THE CUSTOMER CARRIES OUT THE RECOMMENDATIONS MADE BY COMPANY AND IN NO EVENT WILL COMPANY BE LIABLE FOR CONSEQUENTIAL, INDIRECT, OR ECONOMIC DAMAGES. THE CUSTOMER SHALL INDEMNIFY AND HOLD COMPANY HARMLESS FROM AND AGAINST ALL CLAIMS, DEMANDS, LIABILITIES, OBLIGATIONS, AND ATTORNEYS' FEES OR COSTS BROUGHT BY ANY THIRD PARTIES, ARISING OUT OF OR RELATED TO THIS AGREEMENT OR BY FAILURE OF THE CUSTOMER TO ACT IN ACCORDANCE WITH ANY LEGAL REQUIREMENTS IN CONNECTION WITH THE SERVICES DESCRIBED IN SCHEDULE A. COMPANY SHALL NOT BE LIABLE FOR ANY DELAY IN PERFORMING THE SERVICES, NOR LIABLE FOR ANY FAILURE TO PROVIDE THE SERVICES, DUE TO ANY CAUSE BEYOND ITS REASONABLE CONTROL. COMPANY WILL BE RESPONSIBLE FOR ONLY THOSE DAMAGES, CLAIMS, CAUSES OF ACTION, INJURIES, OR LEGAL COSTS CAUSED BY ITS OWN DIRECT NEGLIGENCE OR MISCONDUCT, BUT THEN ONLY TO AN AMOUNT NOT TO EXCEED THE ANNUAL FEES CHARGED UNDER THE AGREEMENT.

10. **CONFIDENTIAL INFORMATION.** "Confidential Information" means any information disclosed by one party ("Discloser") to the other party ("Recipient"), either directly or indirectly, in writing, orally, or by inspection of tangible objects, other than information that the Recipient can establish (i) was publicly known and made generally available

in the public domain prior to the time of disclosure; (ii) becomes publicly known and made generally available after disclosure other than through Recipient's action or inaction; or (iii) is in Recipient's possession, without confidentiality restrictions, at the time of disclosure by Discloser as shown by Recipient's files and records immediately prior to the time of disclosure. Recipient shall not at any time (a) disclose, sell, license, transfer, or otherwise make available to any person or entity any Confidential Information, or (b) use, reproduce, or otherwise copy any Confidential Information, except as necessary in connection with the purpose for which such Confidential Information is disclosed to Recipient or as required by applicable law. Recipient agrees to take all reasonable measures to protect the secrecy of and avoid disclosure and unauthorized use of the Confidential Information. All Confidential Information shall at all times remain the property of Discloser, and all documents, electronic media, and other tangible items containing or relating to any Confidential Information shall be delivered to Discloser immediately upon the request of Discloser.

Notwithstanding the foregoing, if Recipient is required by law, regulation, subpoena, government order, regulatory agency order, judicial order, or other court order to disclose any Confidential Information, Recipient shall give the Disclosing Party timely and lawful written notice of such a requirement prior to such disclosure, and shall reasonably and lawfully cooperate with the Disclosing Party to seek a protective order, confidential treatment, or other appropriate measures for such Confidential Information.

11. FORCE MAJEURE. The Company shall not be liable for any delay in performing the Services, nor liable for any failure to provide the Services, due to any cause beyond its reasonable control.

12. RIGHT TO SUBCONTRACT. The Company, in its sole discretion, may subcontract or delegate to an affiliate or third party any of its duties and obligations hereunder.

13. FUEL/TRANSPORTATION SURCHARGE. Like many other companies that are impacted by the price of gasoline, a rise in gasoline prices may necessitate a fuel surcharge. As such, the Company reserves the right to add a fuel surcharge to Customer's invoice for any increase in the cost of fuel as measured above the same time period in the prior year (by the National U.S. Average Motor Gasoline-Regular Fuel Price per Gallon Index reported by the U.S. Department of Energy). The surcharge may be adjusted monthly (up or down) with the price of gasoline.

14. ANTI-CORRUPTION AND BRIBERY. Each party represents that neither it nor anyone acting on its behalf has offered, given, requested or accepted any undue financial or other advantage of any kind in entering into this Agreement, and that it will comply with all applicable laws and regulations pertaining to corruption, competition and bribery in carrying out the terms and conditions of this Agreement.

15. E-VERIFY. SOLitude utilizes the federal E-Verify program in contracts with public employers as required by Florida State law, and acknowledges all the provisions of Florida Statute 448.095 are incorporated herein by reference and hereby certifies it will comply with the same.

16. GOVERNING LAW. Except for the Mandatory Arbitration Clause in Section 17 of this Agreement, which is governed by and construed in accordance with the Federal Arbitration Act, this Agreement shall be governed by, and construed in accordance with, the laws of the state in which the Services are performed.

17. MANDATORY ARBITRATION. Any claim, dispute or controversy, regarding any contract, tort, statute, or otherwise ("Claim"), arising out of or relating to this Agreement or the relationships among the parties hereto shall be

resolved by one arbitrator through binding arbitration administered by the American Arbitration Association ("AAA"), under the AAA Commercial or Consumer, as applicable, Rules in effect at the time the Claim is filed ("AAA Rules"). Copies of the AAA Rules and forms can be located at www.adr.org, or by calling 1-800-778-7879. The arbitrator's decision shall be final, binding, and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction. This clause is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act. Neither party shall sue the other party other than as provided herein or for enforcement of this clause or of the arbitrator's award; any such suit may be brought only in Federal District Court for the District in which the services were performed or, if any such court lacks jurisdiction, in any state court that has jurisdiction. The arbitrator, and not any federal, state, or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Agreement including any claim that all or any part of the Agreement is void or voidable. Venue for arbitration hereunder shall be within the state where the customer's property, that is the subject of the services provided, is located.

18. **ASSIGNMENT.** The Company may assign this Agreement to a related or affiliated entity upon written notice to the Customer.

19. **NOTICES.** All notices, requests, consents, claims, demands, waivers and other communications hereunder shall be in writing and shall be directed to the individuals and addresses listed in the signature block. Notices sent in accordance with this Section shall be deemed effectively given: (a) when received, if delivered by hand (with written confirmation of receipt); (b) when received, if sent by a nationally recognized overnight courier (receipt requested); or (c) on the third (3rd) business day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid.

20. **DISCLAIMER.** SOLitude is not responsible for the failure of any treatment, equipment installation, or other work that may result from dam or other structural failures, severe weather and storms, flooding, or other acts of God that are outside of the control of SOLitude. Customer understands and acknowledges that there are irrigation restrictions associated with many of the products used to treat lakes and ponds. The Customer is responsible for notifying SOLitude in advance of the contract signing and the start of the Agreement if they utilize any of the water in their lakes or ponds for irrigation purposes. The Customer accepts full responsibility for any issues that may arise from the irrigation of turf, ornamentals, trees, crops, or any other plants as a result of treated water being used by the Customer for irrigation without the consent or knowledge of SOLitude. Although there is rarely direct fish toxicity with the products used for treatment when applied at the labeled rate, or the installation and normal operation of the equipment we install, there is a risk under certain circumstances of significant dissolved oxygen drops. This risk is most severe in times of extremely hot weather and warm water temperatures, as these are the conditions during which dissolved oxygen levels are naturally at their lowest levels. Oftentimes, lakes and ponds will experience natural fish kills under these conditions even if no work is performed. Every effort, to include the method and timing of application, the choice of products and equipment used, and the skill and training of the staff, is made to avoid such problems. However, the Customer understands and accepts that there is always a slight risk of the occurrence of adverse conditions outside the control of SOLitude that will result in the death of some fish and other aquatic life. The Customer also understands and accepts that similar risks would remain even if no work was performed. The Customer agrees to hold SOLitude harmless for any issues with fish or other aquatic life which occur as described above, or are otherwise outside the direct control of SOLitude, unless there is willful negligence on the part of SOLitude.

21. **BINDING.** This Agreement shall inure to the benefit of and be binding upon the legal representatives and successors of the parties.

22. **ENTIRE AGREEMENT.** This Agreement constitutes the entire agreement between the parties with respect to the subject matter and replaces any prior agreements or understandings, whether in writing or otherwise. This Agreement may not be modified or amended except by written agreement executed by both parties. In the event that any provision of this Agreement is determined to be void, invalid, or unenforceable, the validity and enforceability of the remaining provisions of this Agreement shall not be affected.

23. **SEVERABILITY.** If any part of this Agreement is held to be invalid or unenforceable for any reason, the remaining Terms and Conditions of this Agreement shall remain in full force and effect.

By signing below, the parties agree to be bound by the terms and conditions of this Agreement and any accompanying schedules as of the Effective Date.

SCHEDULE A – SCOPE OF SERVICES

A SOLitude Aquatic Specialist will visit the site and inspect the pond(s) on a two (2) times per month basis.

Monitoring:

1. Observations and data collected during the inspections will be used to inform and guide all activities required to fulfill the requirements of this contract as specified in the description of services below.

Visual Inspections:

1. A visual inspection of the lake(s) will be performed during each visit to the site. The inspections shall include the following:
 - Water levels
 - Water clarity or quality
 - Turbidity
 - Beneficial Aquatic Vegetation
 - Nuisance, Invasive, or Exotic Aquatic Vegetation
 - Algae
 - Physical components such as above ground pipes, inlet and outlet structures, trash racks, emergency spillways, and dams
 - Erosion
 - Issues with shoreline and bank stabilization measures such as rip rap stone, bulkheads, retaining walls, etc.
 - Forebays and inflowing or outflowing swales, ditches, and stream channels
 - Vegetated buffers
 - Sedimentation
 - Nuisance animal activity
 - Fish habitat
 - Mosquito breeding conditions and habitat
 - Trash and debris
2. Any issues or deficiencies that are observed during this visual monitoring will be documented by our staff in the field notes of the service order completed at the time the issue was first observed and reported to the Customer in writing as part of that month's service report.
3. Customer will be notified immediately if there are any deficiencies observed that appear in the judgment of our staff to be posing an immediate risk or otherwise jeopardizing the integrity of the pond(s) structures.
4. The scope of these services is limited to what can be reasonably observed at the surface of the water and above the ground around the water that makes up the physical structure of the lake(s). These routine inspection services are not intended to replace any requirement or need for a more comprehensive engineered inspection, or any other type of inspection that would require expertise or equipment to survey the condition of the physical components of the lake(s) underground, underwater, or inside any of the associated structures.

Aquatic Weed Control:

1. Any growth of undesirable aquatic weeds and vegetation found in the lake(s) with each inspection shall be treated and controlled through the application of aquatic herbicides and aquatic surfactants as required to control the specific varieties of aquatic weeds and vegetation found at the time of application.
2. Invasive and unwanted submersed and floating vegetation will be treated and controlled preventatively and curatively each spring and early summer through the use of systemic herbicides at the rate appropriate for control of the target species. Application rates will be designed to allow for selective control of unwanted species while allowing for desirable species of submersed and emergent wetland plants to prosper.

Shoreline Weed Control:

1. Shoreline areas will be inspected for any growth of cattails, phragmites, or other unwanted shoreline vegetation found within the lake areas shall be treated and controlled through the application of aquatic herbicides and aquatic surfactants as required for control of the plants present at time of application.
2. Any growth of unwanted plants or weeds growing in areas where stone has been installed for bank stabilization and erosion control shall be treated and controlled through the application of aquatic herbicides and aquatic surfactants as required to control the unwanted growth present at the time of application.

Littoral Shelf Control:

1. Littoral areas will be inspected and treated on an as-needed basis to maintain compliance with governing agencies for the management of all nuisance and exotic species.
2. Maintenance of future littoral plantings may necessitate an increased service level at an additional cost.
3. All Species will be killed in place with an approved herbicide.
4. This proposal does not include debris removal or disposal.

Buffer Management:

1. Buffer vegetation will be selectively treated as required to limit any growth of unwanted vegetation and to maintain the beneficial aquatic and upland vegetation found within the buffer areas along the edge of the pond. This service is provided in order to maintain the pond buffers in a natural, yet desirable appearance. Buffer vegetation height and density will be encouraged to help prevent nuisance goose and other wildlife from utilizing the pond, as well as providing the necessary erosion control and reduction of nutrients necessary for the overall health and sustainability of the pond.

Service Reporting:

1. Customer will be provided with a service report detailing all of the work performed as part of this Agreement after each visit.

General Qualifications:

1. Company is a licensed pesticide applicator in the state in which service is to be provided.

2. Individual Applicators are Certified Pesticide Applicators in Aquatics, Public Health, Forestry, Right of Way, and Turf/Ornamental as required in the state in which service is to be provided.
3. Company is a SePRO Preferred Applicator and dedicated Steward of Water. Each individual applicator has been trained and educated in the water quality testing and analysis required for prescriptive site-specific water quality management and utilizes an integrated approach that encompasses all aspects of ecologically balanced management. Each applicator has received extensive training in the proper selection, use, and application of all aquatic herbicides, algaecides, adjuvants, and water quality enhancement products necessary to properly treat our Customers' lakes and ponds as part of an overall integrated pest management program.
4. Company guarantees that all products used for treatment are EPA registered and labeled as appropriate and safe for use in lakes, ponds, and other aquatic sites, and are being applied in a manner consistent with their labeling.
5. All pesticide applications made directly to the water or along the shoreline for the control of algae, aquatic weeds, or other aquatic pests as specified in this Agreement will meet or exceed all of the Company's legal regulatory requirements as set forth by the EPA and related state agencies for NPDES and FIFRA. Company will perform treatments that are consistent with NPDES compliance standards as applicable in and determined by the specific state in which treatments are made. All staff will be fully trained to perform all applications in compliance with all federal, state, and local law.
6. Company will furnish the personnel, vehicles, boats, equipment, materials, and other items required to provide the foregoing at its expense. The application method and equipment (boat, ATV, backpack, etc.) used is determined by our technician at the time of the treatment to ensure the most effective method is provided for optimal results.
7. Any technician visit that will require the application of any pesticide (to include herbicides and algaecides) must be scheduled by the Wednesday prior to the week of the visit.
